

# REIMAGINE **dart**

**CREATING CONNECTIONS. BUILDING COMMUNITIES.**

## GIVE FEEDBACK on Concepts for a New DART Bus Network

DART is redesigning our transit network. We plan to change bus routes and services beginning in summer 2026. Our goal is to provide the best services we can within our budget by designing our network to meet people's changing travel needs.

We want your input! Look at two maps showing different options and share feedback on which type of transit network you prefer.

### HOW TO PROVIDE FEEDBACK IN APRIL

- **Complete DART's survey online using the QR code or pick up a print version of the survey at DART Customer Service.**
- **Attend a public meeting.** DART staff will give a presentation and answer questions during the first half hour of each meeting. You can then view the maps and take the survey. All attendees who complete a survey will receive a promo code for a free weekly bus pass in the MyDART app.
